

MSc Ladeja Godina Košir

Nationality: Slovenian

Date of birth: 06/08/1968

Email address: ladeja@circularchange.com

LinkedIn: <https://www.linkedin.com/in/ladeja/>

Address: Gestrinova 1, Ljubljana, Slovenia

MSc Ladeja Godina Košir, Founder and Executive Director of [Circular Change](#) is an internationally renowned expert for circular economy, speaker, and co-creator of international CE events. In November 2020, she was re-elected for the third time to serve as Chair of the coordination group of the [European Circular Economy Stakeholder Platform](#) (ECESP) in Brussels. She was awarded the title of **Finalist in the Leadership** category of the global circular economy award programme The Circulars 2018, organised by WEF in Davos, and named among "**The #EUwomen4future**" in the campaign featuring extraordinary women active in research, innovation, education, culture and sport by Mariya Gabriel, European Commissioner for Innovation, Research, Culture, Education and Youth in 2020. She is co-author of the first [Roadmap towards the Circular Economy in Slovenia](#) and creator and team leader of the annual international [Circular Change Conference](#). Ladeja has consulted on the **national circular economy roadmapping process** based on stakeholder engagement for several countries and cities (Serbia, Norway, Israel, Chile, etc.). She gained experience as visiting professor at the Doshisha University in Kyoto. She is a member of several international CE hubs boards (Exchange4Change Brazil, Holland Circular Hotspot). Ladeja is the Chair of the international council at the Austrian Circular Economy forum as well as the co-leader of the Research Group Circular Economy Systems at the Bertalanffy Center for the Study of Systems Science in Vienna.

Ladeja is recognised as the regional "engine of circular economy transition". She takes a transdisciplinary systemic approach and holistic view as an entrepreneur, communications professional, speaker, moderator, lecturer, mentor and passionate connector. She is empowering a new narrative and circular culture. She bridges the **bioeconomy and the circular economy**; one of the EU projects to which she contributes is [Effective](#) (Horizon 2020 & BBI JU), a multi-company collaboration to produce more sustainable, bio-based fibres and plastics for large consumer products using renewable feedstocks and innovative technologies. She also chaired the expert group for the [BIOEAST Foresight Exercise for Bioeconomy 2030-2050](#). Currently she contributes to the [Erasmus+ IMPACT](#) project for value-based innovation, as well as [Horizon 2020 project PSLifestyle](#) (lead partner Sitra) co-creating a Positive and Sustainable Lifestyle (online) Tool for sustainable behaviour of citizens. Partnering with Deloitte BiH and UNDP she leads the co-creation of the **Roadmap towards circular economy in Montenegro** and **the Circular economy roadmap in Kosovo**. She is also the co-author of the [Ljubljana Circular City 2045](#) document. She is the founder and curator of the [Circular Insider](#) magazine.

Ladeja works with governments, city authorities, companies, NGOs, media and universities, empowering true collaboration to enable circular change.
